

TONI AROLA “FROM THE WINDOW_7”

WHAT IS CONFINEMENT FOR YOU?

Confinement, for those who have suffered it has been a disaster! For me, it has been very interesting and enriching. Being able to stop the outside world is a little private dream that I'm sure many of us have.

The clock and calendar have stopped !!!

We should be in a month of confinement every year, to recover ourselves, those we love and the planet !!!

It has made us aware that we have to take care of things.

WHAT COLOR DO YOU ASSOCIATE THE FUTURE WITH?

The future is bright, to be able to draw it, write it ...

WHAT IMAGE DOES CONFINEMENT SUGGEST TO YOU?
