

EVA MIQUEL “FROM THE WINDOW_10”

WHAT IS CONFINEMENT FOR YOU?

I do not see colour, I see a future in black and white, without nuances or hues, yet full of contrast between excess and scarcity.

WHAT COLOR DO YOU ASSOCIATE THE FUTURE WITH?

The confinement has been a mirror, a halt that commands us to drop haste and take a look within, as human beings and as a whole. It has been a hinge moment that afforded us to self-question and even self-shame; to assess and despise the arrogance that condemns us to an ecological and social involution. An opportunity to shed the skin of sick individualism that pollutes and threatens our very existence as a species.

WHAT IMAGE DOES CONFINEMENT SUGGEST TO YOU?
