“FROM THE WINDOW_5”

WHAT IS CONFINEMENT FOR YOU?

A real opportunity to rethink in the future.

WHAT COLOR DO YOU ASSOCIATE THE FUTURE WITH?

The color of the pages of an old book.

WHAT IMAGE DOES CONFINEMENT SUGGEST TO YOU?

Is part of a project that I started these days of confinement through a book published in the 20s, on "Personal Power". I have decided to dismember the book through its pages and dedicate them to the people who have passed through my life ... (Family, friends) each page relates to a person through a date, or an age, or their home number. Each page is related to a small resin object, created in my small home-studio ... in total there are 13 small objects. The image I am sending you is page 125 (the date of my birthday) on May 12th ... in this case related to an old transparent resin watch.
