

PLANTALECH “FROM THE WINDOW_8”

WHAT IS CONFINEMENT FOR YOU?

Confinement / captivity.

Well that, a captivity by force, you can not make decisions because there are already those who make them for you. Do not think, follow the instructions, obey even new orders ... and if not repression falls on you. If you stray from the path make you feel guilty, you are irresponsible!

Confinement = globalizing FEAR

A people who are afraid is a people who are obedient

WHAT COLOR DO YOU ASSOCIATE THE FUTURE WITH?

The future ... "more of the same"

But if I put color on it, I want it to be red, green and lilac.

WHAT IMAGE DOES CONFINEMENT SUGGEST TO YOU?

"The Stations of the Cross in St. Peter's Square at the Vatican, with Pope Francis in the background, makes me think with "Less is more", above opulence, noise, everything that is unnecessary and that we must put the emphasis in pain, humility, measure, deep inner silence, solidarity, tenderness, spirituality."
