

## DAVID RIBAS

### “FROM THE WINDOW\_5”

#### WHAT IS CONFINEMENT FOR YOU?

Confinement has been an opportunity to work without interruption. It's the privilege of sharing home and workshop. Now I would need two more months to finish everything I have started, which I hope to be able to do, and much better, without confinement, with joy and more color.

#### WHAT COLOR DO YOU ASSOCIATE THE FUTURE WITH?

I think the future looks black, although I wish for more color.

#### WHAT IMAGE DOES CONFINEMENT SUGGEST TO YOU?

Find enclosed in attachment a photograph of the outdoor terrace of the village cafe as an illustration of the confinement.
