“FROM THE WINDOW_3”

WHAT IS CONFINEMENT FOR YOU?

I have suffered anguish for the people I love, for the impotence of being part of this world that is so often incomprehensible. It has made me reflect that no matter how much we are independent, we always need others to be and to feel. Now more than ever I am looking for freedom.

WHAT COLOR DO YOU ASSOCIATE THE FUTURE WITH?

The color of light: red, green and blue that produce the color white.

WHAT IMAGE DOES CONFINEMENT SUGGEST TO YOU?

Every day I have photographed the sunset from the studio; the clouds, the light and this tree... Spring continues to run its course outside the events of the confinement. Valuing the fragility of life, time and nature.
